2017 NTM & Bronchiectasis

PHYSICIAN / PATIENT CONFERENCE

Friday, May 19, 2017 at Georgetown University, Washington, DC.

Presented by: NTM Info & Research & Georgetown University School of Medicine

Continuing Education credit provided by: MedStar Georgetown University Hospital

Course Overview & Schedule

This course will provide an overview and update on the epidemiology, pathogenesis, diagnosis, management, and treatment of nontuberculous mycobacterial (NTM) lung disease and bronchiectasis. It will provide a forum to increase awareness of these conditions and advances in treatment options in order to improve patient care.

8:30am - 9:30am
Registration and Breakfast

9:30am - 5:00pm
Conference
(Lunch and light snacks will be served)

Curriculum

- Panel Discussion: The Patient's Perspective
- Advances in Patient-Reported Outcomes
- Prevalence of Bronchiectasis & NTM
- How to Assess Severity & Prognosis
- Current Treatment of Bronchiectasis
- Current Treatment of NTM
- Improving Patient Outcomes - Reducing Environmental Exposures
- Therapies Other Than Antibiotics
- How to Get the Most Out of Your Clinical Lab
- What Therapies Are in the Pipeline for Bronchiectasis and NTM?
- Update on Bronchiectasis Guidelines
